

# Certificate Program on Current Good Manufacturing Practices (cGMP) in Pharmaceuticals

Starting From  
November 04, 2017 (Every Saturday)  
02:00 p.m. to 08:30 p.m. (10 Weeks)  
Venue: Center for Executive Education (CEE)  
IBA City Campus, Karachi.

## OVERVIEW

For years, the Pharmaceutical Manufacturing Industry of Pakistan enjoyed respect and recognition in the region. During the last decade, the scenario has significantly changed mainly because of challenging regulatory requirements and global technological / knowledge driven advancements. CEE@IBA jointly along with the leaders of Pharmaceutical Industry are providing the launching pad for renaissance.

Training in current Good Manufacturing Practices (cGMP) is the first step. The courses are designed keeping in view national and international regulatory requirement. The aim is to groom Pharma professionals with skill sets for quality deployment in local industry and to make them understand how important it is to adapt quality measures in cGMP compliant operations and hence enable business to go into international markets.

## WHO SHOULD ATTEND?

- Those in Production, QA/QC, Regulatory Affairs, Warehousing, Third Party Manufacturing and Engineering.
- Those on board or aspiring to work in the manufacturing industry.

## TESTIMONIALS:

"An excellent effort by the IBA & the conductors who were extremely knowledgeable and thorough professionals. This course will go a long way in helping the Pakistan Pharmaceutical professionals and community." Mr. Swaleh Misbah Khan, Deputy Managing Director, Macter International Limited

"Networking opportunity, understanding nature of teachers, friendly environment and appropriate facility. Course conducted was good." Dr. Sumbul Ishtiaq - Country Quality Head, Novartis Pharma (Pakistan) Limited

"Course is good and mostly all aspects of CGMP covered in this course with addition of interesting examples. Idea of webinar section was awesome and it gave great learning experience from Dr. Hamid as well." - Mr. Nasir Ali, Deputy Manager QA, AGP Private Limited
