**CERTIFICATE PROGRAM**

## Current Good Manufacturing Practices (cGMP) in Pharmaceuticals

**Venue:** Center for Executive Education (CEE), IBA City Campus, Karachi.

**Date:** 29th April, 2017 | **Day:** Saturday | **Time:** 2:00 pm – 8:30 pm | **Duration:** 10 Weeks

### Program Overview:

For years, the Pharmaceutical Manufacturing Industry of Pakistan enjoyed respect and recognition in the region. During the last decade, the scenario has significantly changed mainly because of challenging regulatory requirements and global technological / knowledge driven advancements. IBA / CEE along with the leaders of Pharmaceutical Industry are providing a launching pad for a renaissance.

Training in current Good Manufacturing Practices (cGMP) is the first step. The courses are designed keeping in view national and international regulatory requirements. The aim is to groom Pharma Professionals with skill sets for quality deployment in local industry and to make them understand how important it is to adapt quality measures in cGMP compliant operations and hence enable the business to go into international markets.

### Course Contents:

- Introduction to cGMP and monitoring KPIs
- Risk Assessment of Product Quality through Supply Chain
- Regulatory Governance, Serialization & e-Submission
- Documentation and Data Integrity
- Production Operations
- Laboratory Controls
- Validation, Change Management, Deviation Handling & Continuous Improvement

### Who should attend?

- Those in Production, QA/QC, Warehousing, Third Party and Engineering.
- Those on board or aspiring to work in the manufacturing industry.

### Trainer's Profile:

**Dr. Bilquis Yasmeen** is an experienced facilitator in the areas of Quality Assurance, Operational Excellence/ Lean Sigma & Leadership. Dr. Yasmeen has worked at GSK, Hilton and Highnoon for about two decades. She has versatile experience of various business roles such as Operations Head, Global Quality Auditor, Lean Sigma Champion, Head of Supply Chain and Leadership Advocate. She has international experience of GMP Auditing in Malaysia, Thailand and Bangladesh.
